

The RealGUIDE

Digital Technology Specialists (DTS)

Did you miss the first RealGUIDE Webinar Series? No worries, the Digital Technology Specialists Team is excited to announce the new schedule of RealGUIDE webinars! These sessions will be recordings of the original webinar sessions for you to catch up on everything that you missed. Furthermore, a DTS member will be online for a live Q&A at the end of each session! If you have been wanting to learn about RealGUIDE or have had any questions about the software, register through the links below. We look forward to meeting all of you!
